Early Childhood System

Early Childhood Governance Structure: The District of Columbia's Office of the State Superintendent of Education's Division of Early Learning (DEL) mission is to ensure that all District of Columbia children, from birth to kindergarten entrance, have access to high quality early childhood programs and services that prepare them for success in school and life. A key function of the DEL is to provide leadership and coordination both within and outside the government to facilitate collaborations in pursuit of better outcomes for the District's youngest children, particularly children who face multiple risk factors to their learning and development.
