

# Work It Out Wombats! Family App

Get ready to join Malik, Zadie, and Zeke as they go on problem-solving adventures in the Treeborhood!

Designed for adults and children to use together, the App has everything families need to have fun learning computational thinking (CT):

- Watch animated stories and songs from the PBS KIDS show
- Do hands-on activities—all the instructions are in the App
- Make music videos starring your kids
- Learn more about preschool computational thinking
- Get tips on doing activities with kids

Once you download the App to your phone, it works anywhere—you won't need to use your phone's data plan or the internet!
